

UNDERCARRIAGE LIGHT

FT-CU-AQX-**-*

KEY FEATURES:

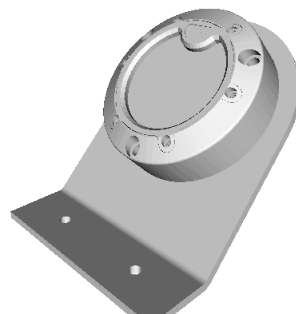

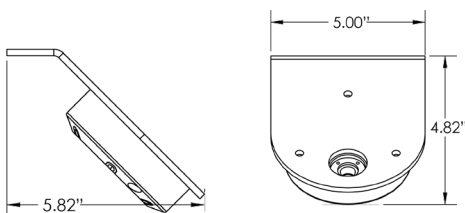

- Rated to Handle up to 100 ft. Submersion in Water
- Optional Mounting Kit Available
- Red & White LED Option Available

ABOUT THE UNDERCARRIAGE LIGHT

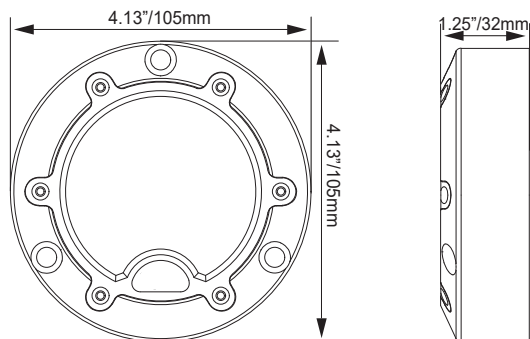

NFPA 1901 and 1917 both require adequate illumination in areas on ingress and egress of the apparatus. That's where the FT-CU-AQX Undercarriage Light comes in. True to the FireTech brand, we've designed the ultimate undercarriage fixture guaranteed never to have a problem regardless of the mounting location. The FT-CU-AQX is rated to handle submersion up to 100' in water. If you submit a warranty claim on this sucker, we will probably have already seen your truck on the evening news!

The most durable undercarriage light in the industry is now packed with the added feature of dual red & white LEDs. Available in a black or white housing, the new undercarriage light can now easily switch between a red and white output and function as a flashing (external flasher required) or a static light to provide a smooth flood beam around your apparatus. Backed by our advance exchange lifetime warranty, the upgraded undercarriage light was built to endure any condition.

OPTIONAL MOUNTING KIT

DIMENSIONS

PART#: FT-CU-AQX-**-*

RAW LUMENS	1,500
EFFECTIVE LUMENS	1,050
OPT. HOUSING COLORS	BLACK OR WHITE
OPT. LED COLORS	RED & WHITE, ALL WHITE
WATTAGE (ALL WHITE)	22W
WATTAGE (RED & WHITE)	24W(RED) 24W(WHITE)
AMP DRAW (@12V) (ALL WHITE)	1.833A
AMP DRAW (@12V) (RED & WHITE)	2A(RED) 2A(WHITE)
INPUT VOLTAGE DC	9-32V DC
CONNECTOR	DEUTSCH DT04-2P
EMC APPROVAL	CISPR25 CLASS 1 / CE
