ABOUT THE HD STRIP COMPARTMENT LIGHT

The FireTech “HD Strip” light was designed to be the last compartment light you ever have to put on your apparatus. The upgraded HD strip lights are now available with new color LED options that are sure to fit any needs. Choose between a combo red & white LED for more flexibility or a single circuit red, blue, or green output. Completely waterproof, the new HD strip light can be used inside or outside of the apparatus without risk of failure.
