

# GUARDIAN® SCENE LIGHT

FT-GSM-\*

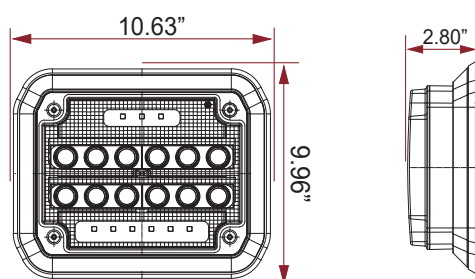

## KEY FEATURES:

- Industry Standard Bolt Pattern
- Multiple Output Options
- Hardware Never Makes Contact with Lens

## GUARDIAN SURFACE MOUNTED SCENE LIGHT

The Guardian Surface Mounted LED Scene light is a 7×9 sized fixture that produces up to 4 times the light output of competing similar sized fixtures, and is backed by a lifetime warranty. The Guardian LED Scene light uses angled circuit boards and optics to illuminate three distinct lighting zones; immediately down the side of the body, general purpose work area, and long distance projection.
