

NIGHTFIGHTER KIT

FT-P48-NFKIT

KEY FEATURES:

- Direct drop-in NightFighter/Par 46 Replacement
- 2x Flood, 1x Spot Fixture
- Simple Installation with Basic Hand Tools

ABOUT THE NIGHTFIGHTER KIT

The Par 46 sealed beam fixture has been a staple in the fire service for years. Many fire apparatus were manufactured with a 12v 3x head "NightFighter" Halogen scene light. If you have this type of light on your rigs and are looking for an economical way to upgrade, the FT-P46-NFKIT has your name all over it. This kit includes 2 flood and 1 spot replacement modules that can be installed in your bays in under 20 mins. Just pop the old lamps out, swap the new LED modules in, connect the wires and you're good to go! Up to 10 times the light output while only drawing 120w. Need just a single replacement fixture? The single FT-P48 upgrade pops into any Par 46 fixture!
